

ADVANCED WELDING AND EQUIPMENT INC.

Quality Throughout the Nation

STRUCTURAL ASSISTANCE, DESIGN AND BUILD

When Experience Matters

Advanced Welding and Equipment Inc. has been involved in all facets of structural construction, including custom builds, mezzanines, custom access stairways, facility modification and any other project you may envision. We will design or work with your in-house engineering staff, our on-site fabrication team and an experienced project management staff that can handle any size project.

Since 1983 Advanced Welding and Equipment Inc. has been providing services for many Chicago metropolitan area civil construction general contractors. We are a member of the American Welding Society (AWS) and the Underground Contractors Association (UCA) of Illinois.
