

# ADVANCED WELDING AND EQUIPMENT INC.

*Quality Throughout the Nation*

## TRANSPORTATION

*O'hare Airport*

Ready For  
Any  
Emergency

Advanced Welding and Equipment Inc. has been involved in assisting the transportation industry for over 28 years. We are able to provide cost savings, time efficiencies so that your are back on track. Advanced Welding services include maintenance and infrastructure on rails, rail “build-up”, and in shop work for maintenance facilities. We understand safety concerns and design issues. We will work with your in-house engineering staff, on-site fabrication team and our experienced project management staff to provide custom specialty projects to meet your specific needs.

Our quick response units are ready for any emergency yard work that could arise, including emergency demolition.
